"I Won't Know" is an emotional acoustic-pop ballad that explores a personal heartbreak and the means of rediscovering your identity afterwards. After a collaboration with Ukrainian photographer [Oleksandra Terletska](#) in Spring 2022, whose artwork is the cover art for this track, the song came to life. Dani Kristina revealed that "witnessing the way [Terletska] captured the complexity and emotion in her photography really informed [the] creative process". The imagery of water, rubble, and rebirth grew out of the art captured by Terletska, which aided Dani Kristina's self-reflected lyrics. The track explores how many people can perceive a lost relationship without really understanding it, as it focuses on the mental balance of maintaining relationships and the grey areas they lie within. "I Won't Know" tells the story of Dani Kristina's personal journey in rediscovering her identity and reflects on the complexities of the mind when dealing with matters of the heart.

The release of "I Won't Know" is just the beginning for Dani Kristina. In the coming months, she will be releasing more tracks that explore her personal experiences and musical influences.
